Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on promoting student mental health and well-being with a specific focus on fostering social cohesion.

We are doing this to support healthy, resilient and positive learners in our Tweedsmuir school community.

Throughout the year, we will be:

1. Creating and upholding class agreements, where every student feels respected, supported, affirmed and free from harm.
2. Prioritizing mental health support and creating an environment that nurtures emotional well-being, including the essential conditions for learning.
3. Building a sense of community and Tweedsmuir pride through character education, conflict resolution, restorative practices and fostering positive relationships.

Community/Home Connections

Ask your child about one positive act of kindness they did throughout the day.

Encourage your child/children to use their voice for advocacy.

Check out this resource [Stop It, Name It](#) about speaking up and being a supportive ally.
