

Dear Families,

With the extension of school closures, our staff continue to miss seeing our students at our school. We reached out to families last week and were happy to connect with many of you. We will continue to connect through phone, SchoolMessenger, our school website, and our online learning platforms. We also encourage you to regularly check the TVDSB board website for the most up to date information.

For those families who have requested a technological device to support learning at home, please know that you will be called shortly to set up a pick up time for the following week. A staff member from Tweedsmuir will outline our protocol for pickup with you during the phone call. [Updated contact information](#) for your child(ren)'s teachers has been posted on the website. We encourage you to reach out to our teachers if you have any questions about learning at home. We are available to support you and understand that we need to be flexible and accommodating as students and their families navigate through learning at home with many other contributing factors which are challenging.

Thank you,

Ann-Marie Parsons, Principal

Joanne Strasser, Vice-Principal
