Dear Parents and Guardians,

As we head into May and with the recent announcements that school buildings will remain closed this month, I would like to reiterate that the staff of Tweedsmuir are thinking of our students and families. We miss seeing our students everyday and we appreciate those who are engaging in learning at home. We encourage our students to participate in learning through their online platform and to reach out to their teachers for questions and support. We enjoy hearing from you and seeing what you create for your learning!

We have daily announcements which include updates, a quote of the day, a link to O Canada, and a reminder to check out the daily staff read aloud. You can also access the daily read alouds through Mr. Kindree's [Website](#) (click for the direct link). You can also connect with us via [Facebook](#) and Twitter [@TweedsmuirS](#).

Next week is Mental Health week for schools. In these unprecedented times, we encourage our families to stay connected to loved ones and to stay healthy and active as best as you are able. Please check your child's online classroom next week for more activities and ideas.

A parent survey was sent out from the board this week. We are looking for feedback about learning from home and appreciate your responses. Please continue to check the board website for the most recent updates surrounding school closures and at home learning.

Sincerely,

Ann-Marie Parsons and Joanne Strasser
